

**Short Story: The Virgin / Young Maiden**

*Virgin gives birth to a King, great shepherd and harvester*

**Tribe of Israel: Naphtali**

**Primary star**

**Spica** – means “ear of wheat/corn/grain”. Hebrew word for this star is *Tsemech* which means “the branch”. Jer 23:5-6, Zech 3:8, 6:12, Isaiah 4:2. There are 20 different Hebrew words that mean “branch”, yet only *Tsemech* is used of the Messiah; the same word for the name of the brightest star of Virgo. Virgo has a branch/ear of barely in one hand (John 12:21-24) and a “seed” in her other (Gen 3:15)

**Secondary star**

*Zavijaveh*, meaning “gloriously beautiful.” – *Isaiah 4:2*

**Decans (secondary constellations)**

**Coma Decan** – meaning “the infant is the desired one” (*Haggai 2:7*). The image of this constellation is a woman holding an infant child.

**Centaurus decan** – meaning “the dart piercing a victim”

**Bootes decan** – meaning “the great shepherd and harvester”

**Overall story told by VIRGO**

*Seed of the Woman, Desire of Nations, Man of humiliation, becomes exalted Shepherd and Harvester. A virgin holding a branch and an ear of corn. Corn = seed (Latin Spica, the modern name of this bright star. Old name was Arabic Al Zimach meaning seed). Star Zavijaveh means “gloriously beautiful”. So according to all cultures since the beginning of mankind, the constellation Virgo means “a virgin holding a branch and a seed that will be gloriously beautiful”.*

**Short Story: The Scales**

*The scales demand a price to be paid, Cross to endure, the Victim slain, a Crown purchased.*

**Tribe of Israel: Asher**

**Primary star**

**Alpha:** *Zuben al Genubi* – means price deficient (Ps 49:7, 62:9)

**Secondary star**

**Beta:** *Zuben al Chemali* – means price that covers (Rev 5:6).  
So “we fall short, another covers the gap)

### **Third star**

*Gamma: Zuben al Akrab – price of the conflict as it points toward Centaurus and victim slain*

### **Decans (secondary constellations)**

**The Cross** – Hebrew is Adom means “cut off”

**Lupus** – the victim, pierced to death, Hebrew Asedah “to be slain”. Egyptian name is Sura which means “lamb” (Isa 53:7)

**Corona** – the crown (Heb 2:9). The Hebrew word Atarah means “royal crown” (Rev 5:9, Mt 27:29, Jas 1:12, Zech 9:16). To the south of Libra, we find the cosmic struggle of Serpens and Ophiuchus. A man wrestling with a serpent sticking his heel while his foot is on the scorpion’s head (Genesis 3:15).

### **Overall story told by Libra**

*The Balance, or Scales, symbolizes measurement and balance in general as well as justice and commerce. Speaking of the Messiah:*

---

**Job 31**

6 LET YAHUAH WEIGH ME IN HONEST SCALES AND HE WILL KNOW THAT I AM BLAMELESS

**REVELATION 6**

5 WHEN THE LAMB OPENED THE THIRD SEAL, I HEARD THE THIRD LIVING CREATURE SAY, "COME!" I LOOKED, AND THERE BEFORE ME WAS A BLACK HORSE! ITS RIDER WAS HOLDING A PAIR OF SCALES IN HIS HAND.

---

*An accurate balance with accurate weights was a symbol of Justice. Yahuah has perfect justice based upon His absolute Righteousness. The Scales of Divine Justice are accurately calibrated. Divine Judgment is without partiality. (Deut 10:17; Acts 10:34; Rom 2:11; Gal 2:6; Eph 6:9). Yahuah (His proxy King Yahusha) is the final Judge (2 Tim 4:1; Heb 4:12; 10:30; 12:23; Jas 4:12).*

### Short Story

*A Conflict, Serpent's coils, Struggle with the Enemy, the Evil Vanquisher. The "strong man" wrestles with the serpent who is reaching for the crown. The scorpion is stinging the heel of the strong man, who is treading on the scorpion.*

### Tribe of Israel: Dan

### Primary star

**Antares** – wounding, cutting, tearing

### Secondary star

**Beta: Zuben al Chemali** – means price that covers (Rev 5:6). So “we fall short, another covers the gap)

### Third star

**Gamma: Zuben al Akrab** – price of the conflict as it points toward Centaurus and victim slain

### Decans (secondary constellations)

**Serpens and Ophiuchus decans** – the serpent and the **Serpent Bearer**, or **Healer**. A man wrestling with the serpent. He has one foot on the scorpions head and the other on the scorpion's tail.

---

### GENESIS 3:15

I WILL PUT ENMITY BETWEEN YOU (**THE SERPENT**) AND THE WOMAN, AND BETWEEN YOUR SEED AND HER SEED; HE SHALL CRUSH YOUR HEAD, AND YOU SHALL CRUSH HIS HEEL.

---

**Hercules decan** – the mighty man. This Decan is the foundation of myths and idols of the Greeks.

### **Overall story told by Scorpio**

*Scorpius, the Scorpion, symbolizes Satan, the enemy of Yahuah and His chosen family. Satan was the enemy of the Messiah in Hypostatic Union, who inspired the execution on the stake (Jn 13:2, 27), but was defeated at the stake through resurrection (Jn 3:14-15, 12:31-32, 16:11). The scorpion (Dt 8:15; Ezek 2:6; Lk 10:19; 11:12) is a desert creature, as is the snake, which also symbolizes Satan.*

*Snakes and scorpions, the symbols of Satan, were the enemies of Israel. "Fiery serpents" is the Hebrew nachash, serpent, and saraph, meaning burning, fiery, or serpent. The two words together mean literally burning snakes, which were so called for their inflammatory bite, filled with heat and poison.*

*The constellation, Scorpius, is near other snake symbols. It is near the constellation Serpens, the Serpent, and Ophiuchus, the Snake Holder. Since both snakes and scorpions are symbols of Satan, the sign of Scorpius applies to both. Therefore, scripture for snakes as well as scorpions apply in the study of Scorpius.*

*The scorpion is also a symbol of the Centaur demon assault army of Abaddon (Rev 9:3, 5, 10), which, of course, is from Satan. Scorpius symbolizes the enemy attack of Satan, but it also symbolizes the victory at the stake (Yahusha was nailed to a stake or tree not a cross). The Greek word for serpent is o[phi] (ophis), which is also used in the Septuagint for the serpent in the Garden (Gen 3:1), the fiery serpents (Deut. 8:15), and the brass serpent in the desert (Num 21:6-9).*

**Short Story: The Archer**

*The double-natured One triumphs as a Warrior, Pleases the Heavens, Builds fires of punishment, Casts down the Dragon. Same meaning in several languages (Rev. 6:2). Star Naim = The gracious one.*

**Tribe of Israel: Benjamin**

**Primary star**

*El Asieh* – “the one to whom we bow” (Isaiah 45:23)

### Secondary star

**Beta: Zuben al Chemali** – means price that covers (Rev 5:6). So “we fall short, another covers the gap)

### Third star

**Gamma: Zuben al Akrab** – price of the conflict as it points toward Centaurus and victim slain

### Decans (secondary constellations)

**Lyra** – The harp. The name indicates the praise of Yahuah. Brightest star is **Vega** = He shall be exalted. (Ps. 2 1:13)

**Ara** – the Altar. The burning fire prepared for His enemies.

**Draco** – The Dragon. *The name comes from the Greek = Trodden on (Ps. 91:13). Brightest star Thuban = The subtle. Names of other stars all refer to similar aspects of the dragon.*

### Overall story told by Sagittarius

The heavenly sign shows the archer with his bow bent and an arrow fitted to the string. It is aimed directly at Antares, the star in the heart of Scorpio. In Sagittarius the emphasis shifts from the wounding by the adversary, to one of victory. The arrows of God are shot at the heart of the enemy. In the Zodiac of Dendera under the image of this constellation is the word Knem, meaning "He conquers." We find the same word under the last sign of the Dendera Zodiac, that of Leo the Lion who is standing upon a serpent. This affirms that the Lion of Leo, and the Centaur of Sagittarius, refer to the same person. Numerous Scriptures come to mind in relation to this sign.

**PSALM 45:3-5**

GIRD YOUR SWORD UPON YOUR THIGH, O MIGHTY ONE,  
WITH YOUR GLORY AND YOUR MAJESTY. AND IN YOUR  
MAJESTY RIDE PROSPEROUSLY BECAUSE OF TRUTH,  
HUMILITY, AND RIGHTEOUSNESS; AND YOUR RIGHT HAND  
SHALL TEACH YOU AWESOME THINGS. YOUR ARROWS ARE  
SHARP IN THE HEART OF THE KING'S ENEMIES; THE PEOPLES  
FALL UNDER YOU.

**PSALM 64:7**

GOD SHALL SHOOT AT THEM WITH AN ARROW; SUDDENLY  
THEY SHALL BE WOUNDED.

**REVELATION 6:2**

AND I LOOKED, AND BEHOLD, A WHITE HORSE, AND HE WHO  
SAT ON IT HAD A BOW; AND A CROWN WAS GIVEN TO HIM;  
AND HE WENT OUT CONQUERING, AND TO CONQUER.

### Decans (secondary constellations)

### Overall story told by Capricorn

*Capricorn is the top half of a goat, and the bottom half is the tail of a fish. It is called the **Sea***

**Goat** (Capricornus). *It is wounded and on one knee, and some of the ancient star names indicate that it is a*

*sacrifice. The goat was one of the sacrificial animals in the Law of Yahuah given to Moses. It was the animal used as the scapegoat that took upon itself the sins of Israel on the Day of Atonement (Lev. 16:10). After John the Immerser Mikveh'd Yahusha and laid his hands on our Messiah's*

*head, Yahusha “fled into the wilderness” in fulfillment of the shadow picture of the scapegoat.*

**Short Story: The Water Bearer**

*Life-waters from on High, Drinking the heavenly river, delivering the Good News, Carrying the wood of the sacrifice over all the earth.*

**Tribe of Israel:** *Reuben*

**Primary star**

***Sa'ad Al Melik*** - means "record of the outpouring"

## Secondary star

***Al Sund*** – means “the pourer out.”

## Decans (secondary constellations)

***Picus Australis*** – the southern fish. Star Fom al Haut = the mouth of the fish.

### Overall story told by Aquarius

A man pouring out water on the Earth, living water (John 4:10, John 7:37-38, Isaiah 44:3-4). Aquarius is a Latin name meaning “the pourer forth of water.” The brightest star is located in the right shoulder and is called Sa’ad Al Melik, meaning “record of the outpouring.” The next star in brightness is Al Sund, “the pourer out.” A star in the urn bears the Egyptian name Mon, or Meon, being interpreted “the urn.” It is not difficult to find in the Scriptures references to Yahusha and the pouring forth of water.

When Yahusha encountered the woman of Samaria at the well, He said, “If you knew the gift of God, and who it is who says to you, ‘Give Me a drink,’ you would have asked Him, and He would have given you living water” (John 4:10). In John 7:37-38 Yahusha cried out at the water ceremony of Sukkot ““If any man is thirsty, let him come to Me and drink. He who believes in Me, as the Scripture said, ‘From his innermost being shall flow rivers of living water.’”

**Short Story: The Two Fish / Two Houses of Israel**

*The Redeemer's People multiplied, Supported and led by the Lamb, The Bride is exposed on earth, the Bridegroom is exalted. Star names indicate "the fish (multitudes) of those who will follow"- i.e. The chosen of Yahuah (Ps. 115:14).*

**Tribe of Israel:** *Simeon*

**Primary star**

***Al Deramin*** - means the Quickly-Returning.

## Secondary star

***Al Phirk*** – means the Redeemer **Decans (secondary constellations)**

**The Band** – (that unites the two fish) (Hos. 11:4, Ephesians 2:15)

## Decans

**Andromeda** – The Chained Woman (who will be delivered).

**Cepheus** – The Crowned King.

### Overall story told by Pisces

The unusual feature of this constellation is that the two fish are drawn as being held together by a band. This band is a shadow picture of the Messiah who makes out of the two houses of Israel (the two fish) one new “man” or Remnant Israel.

---

### EPHESIANS 2:14-15

<sup>14</sup> FOR YAHUSHA IS OUR PEACE, WHO HATH MADE BOTH (JEWS AND GENTILES) ONE, AND HATH BROKEN DOWN (THE DEATH DECREES IN THE LAW WHICH WERE) THE MIDDLE WALL OF PARTITION BETWEEN US; <sup>15</sup> HAVING ABOLISHED (NAILED THE DEATH DECREES TO THE CROSS) IN HIS FLESH WHICH WERE THE CAUSE OF THE ENMITY (OUR FEAR OF THE DEATH) TOWARD THE LAW, COMMANDMENTS AND ORDINANCES; FOR TO MAKE IN HIMSELF OF TWO, ONE NEW MAN, SO MAKING PEACE.

---

Pisces, of course, is symbolic of the redeemed of Yahuah, His called-out ones. Yahusha told His disciples, “I will make you fishers of men.”

The shackles (on the Bride/Andromeda) of sin weigh down all mankind and have need of being broken. Isaiah, spoken by Yahusha as He began His ministry, was cited. “He has sent Me to proclaim release to the captives, and recovery of sight to the blind, to set free those who are downtrodden, to proclaim the favorable year of Yahuah.” In Pisces, we see the conflict of man, a conflict that Yahusha triumphantly overcame.

**Short Story: The Ram / Lamb**

*The Lamb is found worthy, the Bride (after being released from chains of sin) is made ready, Satan is bound, the Breaker (of chains) triumphs. Brightest star El Nath = wounded, slain; (others similar).*

**Tribe of Israel: Gad**

**Primary star**

***El Nath** – wounded, slain; (others similar).*

## Secondary star

**Schedir** – (Hebrew) = freed.

## Third star

**Caph** – The Branch (of victory). (Is. 54:1-8, 62:3-5).

## Decans (secondary constellations)

Cassiopeia, Perseus, and Andromeda grouped together tell the story of the woman (bride) held captive to be delivered and enthroned as Queen.

**Cassiopeia** – The Beautiful Enthroned Woman. The captive woman (Andromeda) now delivered.

**Cetus** – the sea monster (Revelation 13). The enemy bound.

**Perseus** – The Breaker.  
Hebrew = Peretz.  
Greek = Perses (Micah 2:13). Winged feet = coming swiftly. Head he carries wrongly called Medusa by Greeks; Hebrew Rosh Satan = Head of the Adversary.

### Overall story told by Aries

Let me quote from Kenneth Fleming, in *God's Voice in the Stars*:

*"Aries is the last of the signs in the second group, which includes Capricorn, Aquarius, Pisces, and Aries. This quartet of signs pictures the blessings of salvation. Capricorn signifies the blessings of salvation.*

*Capricorn signifies the blessing of life from death. Aquarius pictures the blessing of salvation's fullness. Pisces signifies the delay of the promised blessing. Now in Aries we see the blessing fully realized...*

*Aries has a most interesting and instructive message for the student of the biblical prophecy and the history of salvation. Aries usually carries the symbol of the ram, but many of the oldest zodiacs portray a lamb (with no horns), and in some ancient zodiacs the lamb has a circular crown on its head... The Hebrew name for Aries was Taleh, which means Lamb, while the Arabic name, Hamal, means Sheep, Gentle, Merciful... In Syriac the name for Aries is Amroo, meaning Lamb. The New Testament in that language uses the same word for the Lord Jesus; John the Baptist cried, "Behold the Lamb of God!" (John 1:29)"*

**Short Story: The Bull**

*The conquering Ruler comes, the sublime Vanquisher, the great Judgment, the ruling Shepherd. The Pleiades = The congregation of the judge.*

**Tribe of Israel: Ephraim**

**Primary star**

***Al Nitak** – the wounded one.*

**Secondary star**

**Capella** – she goat

**Third star**

**The Pleiades** – The congregation of the judge.

**Decans (secondary constellations)**

**Orion** – The coming Prince. Hebrew Oarion = light. He holds a club and the head of “the roaring lion” (1 Pet. 5:8). Betelgeuz = The coming of the branch. Rigol = the foot that crushes. Al Nitak = the wounded one.

**Eridanus** – The River of the Judge. Star names refer to “flowing” etc. (Dan. 7:10; Nahum 1:8).

**Auriga** – The Shepherd (Isaiah 40:10-11). Hebrew root = shepherd. Star Capella (Latin) = she goat.

### Overall story told by Taurus

He is a great white bull of the variety of wild ox which has two long forward-pointing golden horns. His forelegs suggest that he is charging forward. On the other hand, he has seven doves on his back (the Seven Sisters), and some have suggested that the bent legs indicate that he is peacefully reclining. Here it is not

the Greek myths, but the Book of Enoch (section 4, Chapter 85) which makes it clear what the white bull represents. It is the millennial Kingdom of Yahuah which will soon govern the earth for a thousand years, after the destruction of the wicked.

**Short Story: The Twins**

*The Marriage of the Lamb, the Enemy is trodden down, the Prince comes in great Glory. There is some confusion of the pictures for this constellation in the different languages, but they generally refer to two people probably referring to the House of Israel and the House of Judah. The picture is also rendered as a man and a woman a picture of the Bride and Groom.*

**Tribe of Israel:** *Manasseh*

**Primary star**

**Castor** – “the mortal Twin”,

**Secondary star**

**Pollux** - “the immortal Twin”

**Decans (secondary constellations)**

**Lepus** – The Hare (the enemy); trodden under Orion’s foot. Star names refer to “the deceiver” etc.

**Canis Major** (The Dog) or Sirius (The Prince). Sirius is the brightest of all stars. (Is. 9:6).  
**Canis Minor** – The Second Dog.  
Star Procyon Redeemer

### Overall story told by Gemini

The tenth zodiac constellation is the **two joined together** (Gemini), who are the Bride and Groom and the Two Houses of Israel. This constellation has many “meanings” depending on the culture looking at it. If we consider the Plan of Salvation this constellation could be in reference to the dual nature of the Messiah. First coming as a man, the suffering servant; then

returning divine as the conquering king. It can mean the reunification of the Two Houses of Israel. It can represent the Marriage between the Bride and Groom.

Yom Kippur is represented by Gemini. The story told by the major stars in the constellation Gemini are that of the Prince, having conquered his enemies and made them his footstool, comes in Great Glory to gather his Bride from all nations to attend The Wedding to unite the two houses of Israel.

When looking at this constellation in terms of “2000-year ages” it would be symbolic of Adam and Eve.

### Short Story: The Crab

*In Hebrew it is 'Ash' or Butterfly. To the Indians it was a Crab. Ancient Sumerians saw it as a Crayfish. In each case, the creature concerned rose to a new life out of its old shell. The brightest star is Acubene which is related to the Hebrew word for "hiding place." This picture is reinforced by the Praesepe cluster. The word comes from Latin, means "a crib, a manger, a hive, or a fold for animals." In Job 38:32, God asked if Job could "Guide the constellation Ash ('Butterfly') with his 'Multitude' ('Offspring' or 'Children' or 'Sons')". This refers to Cancer and the Praesepe cluster. It is all the more significant since Job had stated in his discussion in Job 19:25 "I know that my Redeemer Lives, and He will stand on the Earth in the Last Days. And though*

*after death worms consume my body, yet in my flesh will I see God, whom my own eyes will behold, and not another's."*

*The name "Cancer" may be related to Ara'lc. In old Arabic this sign was "Khan Ker" which means "priest-prince."*

*The meanings of the name of the constellation itself and the associated stars may have to do with the Priest-Prince coming out of his hiding place dwell among men.*

*Sukkot is represented by Cancer. The Messiah was on the first day of Sukkot and circumcised on the 8<sup>th</sup> day, the Last Great Day.*

**Tribe of Israel:** Issachar

**Primary star**

*Acubene – Hiding place*

**Secondary star**

*Praesepe – a crib, a manger, a hive, or a fold for animals*

**Decans (secondary constellations)**

The first decan of Cancer is the strongest as it is a double dose of the same zodiac sign energies and characteristics. The second and third decans are modified by the qualities and traits of the other two signs belonging to the element of Water – Scorpio & Pisces.

**Ursa Minor** – The Little Bear. No bears found in any ancient Zodiacs. Confusion may be from Hebrew Dohver Sheepfold, Dohv Bear.

**Ursa Major** – The Great Bear. Possibly “Sheepfold” as Ursa Minor as Al Naish “assembled together”; Dubhe = “Herd of animals or a flock” etc. Many stars similarly named.

**Argo** – Meaning is the “Return of the travelers”.

### Overall story told by Cancer

The crab can pick up things in its powerful right hand and deliver them to the desired destination. The Great Deliverer descended into hell and the gates of hell could not prevent him from delivering his people to freedom from the bondage of death and hell. This deliverance has not only happened in the past, it will yet happen in the future just before the beginning of the millennial reign of Yahusha. At that time, the righteous will again be delivered from the grasp of the seven-headed dragon kingdom (which has enslaved much of the entire world). This is where we are currently in the Heavenly Scroll.

**. Short Story: The Lion of the Tribe of Juda**

*The Lion King is aroused for rending, the Serpent flees, the Bowl of Wrath is upon him, and his Carcass is devoured. The Lion of the tribe of Judah (Rev. 5:5). Hebrew name means "Lion hunting down its prey". Name in other languages similar. Denebola Judge who cometh.*

**Tribe of Israel:** Judah

**Primary star**

***Alpha Regulus*** – treading under foot

## Secondary star

**Denebola** – the judge comes (Num 24:8-9, Rev 5:5)

## Decans (secondary constellations)

**Hydra** – The Serpent. Hydra means “He is abhorred”. Star names similar.

**Crater** – The Cup. The pouring out of wrath on the wicked. (Ps 75:8, 11:6, Rev 14:10)

**Corvus** – The Raven. Birds of prey devouring the Serpent. (Prov 30:17, Rev 19:1)

### Overall story told by Leo

The twelfth and last zodiac constellation is the **Lion** (Leo). He is a magnificent Lion which is pouncing on the head of the fleeing giant Water Serpent. In the Egyptian planisphere, he is shown actually standing on the serpent. So once again, a hero is attacking a serpent; and apparently focusing on crushing its head.

The religious symbolism of the lion is similar. Yahusha is referred to as the “Lion of the tribe of Judah” (Rev. 5:5), and the lion seems to refer to Yahusha the Messiah in his role as *King*. This constellation most likely refers to the Messiah as King of Kings, reigning all during the coming Millennium, after he has destroyed the beast.

## Conclusion

---

Mankind has always erred in giving what is Yahuah's Glory to graven images, pagan gods, mythological figures, etc. When it comes to Creation, Yahuah alone reserves the Glory and He will not give it to anyone or anything else... that is why any act such as divination, fortune telling, sorcery, magic, witchcraft, etc. are strictly forbidden in the context of "familiar spirits"; because those are the terms for using Creation improperly or seeking divine counsel outside of the Spirit of Yahuah!

---

### *Isaiah* 45:5-12

5 I AM YAHUAH, AND THERE IS NO OTHER; APART FROM ME THERE IS NO GOD. 7 I FORM THE LIGHT AND CREATE DARKNESS, I BRING PROSPERITY AND CREATE DISASTER; I, YAHUAH, DO ALL THESE THINGS. 12 IT IS I WHO MADE THE EARTH AND CREATED MANKIND UPON IT. MY OWN HANDS STRETCHED OUT THE HEAVENS (STARS); I MARSHALED THEIR STARRY HOSTS (CONSTELLATIONS).

---

In every culture since the creation of man, "God" is seen as the author of The Zodiac.

Above, notice "God" is authoring the Zodiac with his son "on his mind"

### Isaiah 44

24 "THIS IS WHAT YAHUAH SAYS— YOUR REDEEMER, WHO FORMED YOU IN THE WOMB; I AM YAHUAH, THE MAKER OF ALL THINGS, WHO STRETCHES OUT THE HEAVENS (*to tell a story*), WHO SPREADS OUT THE EARTH BY MYSELF.

### Isaiah 46

5 "TO WHOM WILL YOU COMPARE ME OR COUNT ME EQUAL? TO WHOM WILL YOU LIKEN ME THAT WE MAY BE COMPARED? 8 "REMEMBER THIS, FIX IT IN MIND, TAKE IT TO HEART, YOU REBELS. 9 REMEMBER THE FORMER THINGS, THOSE OF LONG AGO; I AM GOD, AND THERE IS NO OTHER; I AM GOD, AND THERE IS NONE LIKE ME. 10 I MAKE KNOWN THE END FROM THE BEGINNING (*written in the Zodiac*), FROM ANCIENT TIMES, WHAT IS STILL TO COME. I SAY: MY PURPOSE WILL STAND, AND I WILL DO ALL THAT I PLEASE.

The bottom line is that Yahuah created the stars and the constellations, named them, gave them their meaning, proclaimed the Gospel in them, and will not give that Glory to another. So any use of the Zodiac outside of the Spirit of Yahuah is... sin.

Therein lies the Battle of the Ages, the battleground is the Zodiac, the Heavenly Scroll! Who is the Messiah who fulfills it? Pagan demi-god 'Christs', or Yahusha the Messiah? All pagan 'Christs' were assimilated into one demi-god at the Council of Nicaea named Hesus Horus Krishna. We know this false image today as Jesus H. Christ. The reason Jesus represents the sun rituals of Christmas, Easter, the Trinity, and so forth is because that image is based on the corrupted version of the Zodiac. See my book *The*

***Antichrist Revealed!*** For an in depth analysis of this false messianic image.

The Battle of the Ages has come down to Jesus vs. Yahusha; one is the fulfillment of the true message in the Zodiac, the other the twisted version of the Zodiac. Whom do you follow?

Could it be that the reason there are no real prophets left on Earth, like those of the likes of Moses, Jeremiah, Elijah, Daniel, Yahusha, and John the revelator; is because we have denied Yahuah the very basic foundation of all prophecy. The Zodiac? We have turned out back on any form of divination even when it is done seeking counsel from Yahuah like all the aforementioned prophets?

The three-level world of astrology: the twelve mundane houses surrounding the twelve Zodiac signs and the seven planets (seals over the Heavenly Scroll), with the earth at the centre. The entire system is shown to be under God's control... The British Library, C.4.c.9
